NUTRITION & ALLERGEN GUIDE - BEVERAGES

For allergens including cereals containing gluten see ingredients in BOLD.All our beverages are hand crafted uniquely for you. Due to the nature of how we create our beverages we cannot guarantee that they are free from any allergens.

Our beverages are prepared where allergens are handled by our partners, and where equipment and utensils are used for multiple menu items, including those containing allergens. Whilst we try to keep things separate we cannot guarantee any item is allergen free.

Please remember to check this information regularly as we're always working on our recipes. For more allergen information please ask your barista.

Please remember to check this information regularly as we're always working	ng on our rec	ipes. For more allergen information please ask your barista.
